NEW YORK--(BUSINESS WIRE)--Rosen Law Firm, a global investor rights law firm, announces that it has filed a class action lawsuit on behalf of purchasers of Fenix Parts, Inc. securities (NASDAQ:FENX) from May 14, 2015 through October 12, 2016, both dates inclusive (the "Class Period"). When the true details entered the market, the lawsuit claims that investors suffered damages.

the Second Circuit Court of Appeals, which adopted a more favorable pleading standard for investors in reversing the District Court's dismissal of the investors' complaint. After this successful appeal, the Firm then recovered millions of dollars for defrauded investors of the GT Interactive Corporation. The Firm also argued Falkowski v. Imation Corp., 309 F.3d 1123 (9th Cir. 2002), *as amended*, 320 F.3d 905 (9th Cir. 2003) and favorably obtained the substantial reversal of a lower court's dismissal of a cutting edge, complex class action initiated to seek redress for a group of employees whose stock options were improperly forfeited by a giant corporation in the course of its sale of the subsidiary at which they worked. The revived action is currently proceeding in the California state court system.

The Firm is also involved in the representation of individual investors in court proceedings throughout the United States and in arbitrations before the American Arbitration Association, National Association of Securities Dealers, New York Stock Exchange, and Pacific Stock Exchange. Mr. Glancy has successfully represented litigants in proceedings against such major securities firms and insurance companies as A.G. Edwards & Sons, Bear Stearns, Merrill Lynch & Co., Morgan Stanley, PaineWebber, Prudential, and Shearson Lehman Brothers.

One of the Firm's unique skills is the use of "group litigation" - the representation of groups of individuals who have been collectively victimized or defrauded by large institutions. This type of litigation brought on behalf of individuals who have been similarly damaged often provides an efficient and effective economic remedy that frequently has advantages over the class action or individual action devices. The Firm has successfully achieved results for groups of individuals in cases against major corporations such as Metropolitan Life Insurance Company, and Occidental Petroleum Corporation.

In conjunction with the efforts of co-counsel, Mr. Sams briefed and successfully obtained the reversal in the Ninth Circuit of an order dismissing class action claims brought pursuant to Sections 11 and 15 of the Securities Act of 1933. *Hemmer Grp. v. Flowserve Corp.*, 572 F.3d 221 (5th Cir. 2009). The case settled for \$55 million.

Mr. Sams has also obtained other significant results. Notable examples include: *Forbush v. Goodale*, No. 33538/2011, 2013 WL 582255 (N.Y. Sup. Aug. 10, 2012) (upholding securities fraud complaint; case settled for \$8.5 million); *Wilkof v. Caraco Pharm. Labs., Ltd.*, 280 F.R.D. 332 (E.D. Zynex Inc.*, Civil Action No. 09-cv-00780-REB-KLM, 2011 WL 1158715 (D. Colo. Mar. 30, 2011) (denying defendants’ motion to dismiss securities fraud complaint); *Wilkof v. Caraco Pharm. Labs., Ltd.*, No. 09-12830, 2010 WL 4184465 (E.D. Mich. Oct. 21, 2010) (upholding securities fraud complaint and cited favorably by the Eighth Circuit in *Public Pension Fund Grp. v. KV Pharm. Co.*, 679 F.3d 972, 981-82 (8th Cir. 2012)); and *Tsirekidze v. Syntax-Brilliant Corp.*, No. CV-07-02204-PHX-FJM, 2009 WL 2151838 (D. Ariz. July 17, 2009) (granting class certification; case settled for \$10 million).

Mr. Sams worked on nationwide litigation and a trial against major tobacco companies, and in statewide tobacco litigation that resulted in a \$12.5 billion recovery for California cities and counties in a landmark settlement. He also was a principal attorney in a consumer class action against one of the largest banks in the country that resulted in a substantial recovery and a change in the company’s business practices. Mr. Sams also participated in settlement negotiations on behalf of environmental organizations along with the United States Department of Justice and the Ohio Attorney

General's Office that resulted in a consent decree requiring a company to perform remediation measures to address the effects of air and water pollution.

Mr. Sams is a member of the John M. Langston Bar Association, as well as other local and business bar associations. Additionally, Mr. Sams has volunteered at community legal clinics to provide pro bono legal services to low-income and underrepresented individuals in South Central Los Angeles. (\$8.5 million settlement of action alleging breach of fiduciary duty and breach of contract against trust company on behalf of a class of elderly investors); and Pappas v. Naked Juice Co., Case No. 11-08276 (C.D. Cal.) (\$9 million settlement in consumer class action alleging misleading labeling of juice products as "All Natural").

With a background in intellectual property, Ms. Wolke was a part of the team of lawyers who successfully challenged the claim of copyright ownership to the song "Happy Birthday to You" on behalf of artists and filmmakers who had been forced to pay hefty licensing fees to publicly sing the world's most famous song. In the resolution of that action, the defendant music publishing company funded a settlement of \$14 million and, significantly, agreed to relinquish the song to the public domain. Previously, Ms. Wolke penned an article regarding the failure of U.S. Copyright Law to provide an important public performance right in sound recordings, 7 Vand. J. Ent. L. & Prac. 411, which was nationally recognized and received an award by the American Bar Association and the Grammy® Foundation.

Committed to the provision of legal services to the poor, disadvantaged, and other vulnerable or disenfranchised individuals and groups, Ms. Wolke also oversees the Firm's pro bono practice. Ms. Wolke currently serves as a volunteer attorney for KIND (Kids In Need of Defense), representing unaccompanied immigrant and refugee

children in custody and deportation proceedings, and helping them to secure legal permanent residency status in the U.S.

Ms. Wolke graduated summa cum laude with a Bachelor of Science in Economics from The Ohio State University in 2001. She subsequently earned her J.D. (with honors) from Ohio State, where she was active in Moot Court and received the Dean's Award for Excellence during each of her three years.

### ABOUT THE FIRM

Levi & Korsinsky LLP is a national law firm with decades of combined experience litigating complex securities, class, and consumer actions in state and federal courts throughout the country. Our main office is located in New York City and we also maintain offices in Connecticut, California, and Washington, D.C.

We represent the interests of aggrieved shareholders in class action and derivative litigation through the vigorous prosecution of corporations that have committed securities fraud and boards of directors who have breached their fiduciary duties. We have served as Lead and Co-Lead Counsel in many precedent-setting litigations, recovered millions of dollars for shareholders via securities fraud lawsuits, and obtained fair value, multi-billion dollar settlements in merger transactions.

We also represent clients in high-stakes consumer class actions against some of the largest corporations in America. Our legal team has a long and successful track record of litigating high-stakes, resource-intensive cases and consistently achieving results for our clients.

Our attorneys are highly skilled and experienced in the field of securities class action litigation. They bring a vast breadth of knowledge and skill to the table and, as a result, are frequently appointed Lead Counsel in complex shareholder and consumer litigations in various jurisdictions. We have the ability to allocate substantial resources to each case, reviewing public documents, interviewing witnesses, and consulting with experts concerning issues particular to each case. Our attorneys are supported by exceptionally qualified professionals including financial experts, investigators, and administrative staff, as well as cutting-edge technology and e-discovery systems. Consequently, we are able to quickly mobilize and produce excellent litigation results. Our ability to try cases, and win them, results in recoveries substantially better than our peers.

We do not shy away from uphill battles – indeed, we routinely take on complex and challenging cases, and we prosecute them with integrity, determination, and professionalism.

### PRACTICE AREAS

#### Mergers & Acquisitions

We have achieved an impressive record in obtaining injunctive relief for shareholders and are one of the premier law firms engaged in mergers & acquisitions and takeover litigation, where we strive to maximize shareholder value. In these cases, we regularly fight to obtain settlements that enable the submission of competing buyout bid proposals, thereby increasing consideration for shareholders.

We have litigated landmark cases that have altered the landscape of mergers & acquisitions law and resulted in multi-million dollar awards to aggrieved shareholders.

In *In re NCS Healthcare, Inc. Securities Litigation*, C.A. No. 19786 (Del. Ch. 2002), one of the most historically significant cases in the Delaware courts involving mergers and acquisitions law, one of our founding partners, as Co-Lead Counsel, created a more than \$100 million cash benefit for shareholders and revolutionized the way bidders and target companies design and implement lockup mechanisms to protect a deal.

## LEVI&amp;KORSINSKY LLP

NEW YORK | WASHINGTON, D.C. | CONNECTICUT | CALIFORNIA

In *In re Great Wolf Resorts, Inc. Shareholder Litigation*, C.A. No. 7328-VCN (Del. Ch. 2012), we achieved tremendous results for shareholders, including partial responsibility for a \$93 million (57%) increase in merger consideration and the waiver of several “don’t-ask-don’t-waive” standstill agreements that were restricting certain potential bidders from making a topping bid for the company.

In *In re CNX Gas Corp. Shareholder Litigation*, 4 A.3d 397 (Del. Ch. 2010), as Plaintiffs’ Executive Committee counsel, we obtained a landmark ruling from the Delaware Chancery Court that set forth a unified standard for assessing the rights of shareholders in the context of freeze-out transactions and ultimately led to a common fund recovery of over \$42.7 million for the company’s shareholders.

In *In re Talecris Biotherapeutics Holdings Shareholder Litigation*, C.A. No. 5614-VCL (Del. Ch. 2010), we served as counsel for one of the Lead Plaintiffs, achieving a settlement that increased the merger consideration to Talecris shareholders by an additional 500,000 shares of the acquiring company’s stock and providing shareholders with appraisal rights.

In *In re Minerva Group LP v. Mod-Pac Corp.*, Index No. 800621/2013 (N.Y. Sup. Ct. Erie Cty. 2013), we obtained a settlement in which defendants increased the price of an insider buyout from \$8.40 to \$9.25 per share, representing a recovery of \$2.4 million for shareholders.

---

*“I think you’ve done a superb job and I really appreciate the way this case was handled.”*

Judge Ronald B. Rubin in *Teoh v. Ferrantino*, C.A. No. 356627 (Cir. Ct. for Montgomery Cty., MD 2012)

---

In *Stephen J. Dannis v. J.D. Nichols*, C.A. No. 13-CI-00452 (Ky. Cir. Ct. Jefferson Cty. 2014), as Co-Lead Counsel, we obtained a 23% increase in the merger consideration (from \$7.50 to \$9.25 per unit) for shareholders of NTS Realty Holdings Limited Partnership. The total benefit of \$7.4 million was achieved after two years of hard-fought litigation, challenging the fairness of the going-private, squeeze-out merger by NTS’s controlling unitholder and Chairman, Defendant Jack Nichols. The unitholders bringing the action alleged that Nichols’ proposed transaction grossly undervalued NTS’s units. The 23% increase in consideration was a remarkable result given that on October 18, 2013, the Special Committee appointed by the Board of Directors had terminated the existing merger agreement with Nichols. Through counsel’s tenacious efforts the transaction was resurrected and improved.

In *In re Craftmade International, Inc. Shareholders Litigation*, C.A. No. 6950-VCL (Del. Ch. 2011), we served as Co-Lead Counsel and successfully obtained an injunction requiring numerous corrective disclosures and a “Fort Howard” release announcing that the Craftmade Board of Directors was free to conduct discussions with any other potential bidders for the company.

In *Dias v. Purches*, C.A. No. 7199-VCG (Del. Ch. 2012), Vice Chancellor Sam Glasscock, III of the Delaware Chancery Court partially granted shareholders’ motion for preliminary injunction and ordered that defendants correct a material misrepresentation in the proxy statement related to the acquisition of Parlux Fragrances, Inc. by Perfumania Holding, Inc.

In *Forgo v. Health Grades, Inc.*, C.A. No. 5716-VCS (Del. Ch. 2010), as Co-Lead Counsel, our attorneys established that defendants had likely breached their fiduciary duties to Health Grades’ shareholders by failing to maximize value as required under *Revlon, Inc. v. MacAndrews & Forbes Holdings, Inc.*, 506 A.2d 173 (Del. 1986). We secured an agreement with defendants to take numerous steps to seek a superior offer for the company, including making key modifications to the merger agreement, creating an independent committee to evaluate potential offers, extending the tender offer period, and issuing a “Fort Howard” release affirmatively stating that the company would participate in good faith discussions with any party making a bona fide acquisition proposal.

## LEVI&amp;KORSINSKY LLP

NEW YORK | WASHINGTON, D.C. | CONNECTICUT | CALIFORNIA

In *Chen v. Howard-Anderson*, C.A. No 5878-VCL (Del. Ch. 2010), we represented shareholders in challenging the merger between Occam Networks, Inc. and Calix, Inc., obtaining a preliminary injunction against the merger after showing that the proxy statement by which the shareholders were solicited to vote for the merger was materially false and misleading. We then took the case to trial and recovered \$35 million for the shareholders.

In *In re Pamrapo Bancorp Shareholder Litigation*, Docket C-89-09 (N.J. Ch. Hudson Cty. 2011) & HUD-L-3608-12 (N.J. Law Div. Hudson Cty. 2015), we defeated defendants' motion to dismiss shareholders' class action claims for money damages and a motion for summary judgment, ultimately securing a settlement recovering \$1.95 million for the Class plus the Class's legal fees and expenses up to \$1 million (representing an increase in consideration of 15-23% for the members of the Class). The case stemmed from the sale of Pamrapo Bancorp to BCB Bancorp at an allegedly unfair price through an unfair process. In addition to obtaining this recovery, the Court also found that our efforts substantially benefited the shareholders by obtaining supplemental disclosures for shareholders ahead of the merger vote.

In *In re Complete Genomics, Inc. Shareholder Litigation*, C.A. No. 7888-VCL (Del. Ch. 2012), we obtained preliminary injunctions of corporate merger and acquisition transactions, and Plaintiffs successfully enjoined a "don't-ask-don't-waive" standstill agreement.

In *In re Integrated Silicon Solution, Inc. Stockholder Litigation*, Lead Case No. 115CV279142 (Super. Ct. Santa Clara, CA 2015), we won an injunction requiring corrective disclosures concerning "don't-ask-don't-waive" standstill agreements and certain financial advisor conflicts of interests, and contributed to the integrity of a post-agreement bidding contest that led to an increase in consideration from \$19.25 to \$23 per share, a bump of almost 25 percent.

In *In re Bluegreen Corp. Shareholder Litigation*, Case No. 502011CA018111 (Cir. Ct. for Palm Beach Cty., FL), as Co-Lead Counsel, we achieved a common fund recovery of \$36.5 million for minority shareholders in connection with a management-led buyout, increasing gross consideration to shareholders in connection with the transaction by 25% after three years of intense litigation.

### Derivative, Corporate Governance & Executive Compensation

We protect shareholders by enforcing the obligations of corporate fiduciaries. We are a leader in achieving important corporate governance reforms for the benefit of shareholders. Our efforts include the prosecution of derivative actions in courts around the country, making pre-litigation demands on corporate boards to investigate misconduct and taking remedial action for the benefit of shareholders. In situations where a company's board responds to a demand by commencing its own investigation, we frequently work with the board's counsel to assist with and monitor the investigation, ensuring that the investigation is thorough and conducted in an appropriate manner.

We also have successfully prosecuted derivative and class action cases to hold corporate executives and board members accountable for various abuses and to help preserve corporate assets through long-lasting and meaningful corporate governance changes, thus ensuring that prior misconduct does not reoccur. We have extensive experience challenging executive compensation, recapturing assets for the benefit of companies and their shareholders. In addition, we have secured corporate governance changes to ensure that executive compensation is consistent with shareholder-approved compensation plans, company performance, and federal securities laws.

In *MacCormack v. Groupon, Inc.*, C.A. No. 13-940-GMS (D. Del. 2013), we caused the cancellation of \$2.3 million worth of restricted stock units granted to a company executive in violation of a shareholder-approved plan, as well as the adoption of enhanced corporate governance procedures designed to ensure that the board of directors complies with the terms of the plan; we also obtained additional material disclosures to shareholders in connection with a shareholder vote on amendments to the plan.

In *Basch v. Healy* (D. We also impacted the board's creation of a new compensation plan and obtained additional disclosures to stockholders concerning the board's administration of the company's plan and the excess compensation.

In *Pfeiffer v. Toll* (Toll Brothers Derivative Litigation), C.A. No. 4140-VCL (Del. Ch. 2010), we prevailed in defeating defendants' motion to dismiss in a case seeking disgorgement of profits that company insiders reaped through a pattern of insider-trading. After extensive discovery, we secured a settlement returning \$16.25 million in cash to the company, including a significant contribution from the individuals who traded on inside information.

In *Kleba v. Dees*, C.A. 3-1-13 (Tenn. Cir. Ct. Knox Cty. 2014), we recovered approximately \$9 million in excess compensation given to insiders and the cancellation of millions of shares of stock options issued in violation of a shareholder-approved compensation plan. In addition, we obtained the adoption of formal corporate governance procedures designed to ensure that future compensation decisions are made independently and consistent with the plan.

In *Lopez v. Nudelman*, (CTI BioPharma Corp.), 14-2-18941-9 SEA (Wash. Super. Ct. King Cnty. 2015), we recovered approximately \$3.5 million in excess compensation given to directors and obtained the adoption of a cap on director compensation, as well as other formal corporate governance procedures designed to implement best practices with regard to director and executive compensation.

In *In re i2 Technologies, Inc. Shareholder Litigation*, C.A. No. 4003-CC (Del. Ch. 2008), as Counsel for the Lead Plaintiff, we challenged the fairness of certain asset sales made by the company and secured a \$4 million recovery.

In *In re Activision, Inc. Shareholder Derivative Litigation*, No. 06-cv-04771-MRP (JTLX) (C.D. This effort resulted in the recovery of more than \$24 million in excessive compensation and expenses, as well as the implementation of substantial corporate governance changes.

In *In re Corinthian Colleges, Inc. Shareholder Derivative Litigation*, 8:06cv777-AHS (C.D. Cal. 2006), we were Co-Lead Counsel and achieved a \$2 million benefit for the company, resulting in the re-pricing of executive stock options and the establishment of extensive corporate governance changes.

In *Pfeiffer v. Alpert (Beazer Homes Derivative Litigation)*, C.A. No. 10-cv-1063-PD (D. Del. 2010), we successfully challenged certain aspects of the company's executive compensation structure, ultimately forcing the company to improve its compensation practices.

In *In re Cincinnati Bell, Inc., Derivative Litigation*, Case No. A1105305 (Ohio, Hamilton Cty. 2012), we achieved significant corporate governance changes and enhancements related to the company's compensation policies and practices in order to better align executive compensation with company performance. Reforms included the formation of an entirely independent compensation committee with staggered terms and term limits for service.

In *Woodford v. Mizel (M.D.C. Holdings, Inc.)*, 1:2011cv00879 (D. Del. 2012), we challenged excessive executive compensation, ultimately obtaining millions of dollars in reductions of that compensation, as well as corporate governance enhancements designed to implement best practices with regard to executive compensation and increased shareholder input.

In *Bader v. Goldman Sachs Group, Inc.*, No. 10-4364-cv, 2011 WL 6318037 (2d Cir. Dec. 19, 2011), we persuaded the Second Circuit Court of Appeals to reverse the District Court's dismissal of derivative claims seeking to recover excessive compensation granted to officers and directors of Goldman Sachs.

In *In re Google Inc. Class C Shareholder Litigation*, C.A. No. 7469-CS (Del. ### Consumer Litigation

Levi & Korsinsky works hard to protect consumers by holding corporations accountable for defective products, false and misleading advertising, overcharging, and unfair or deceptive business practices.

Our litigation and class action expertise combined with our in-depth understanding of federal and state laws enables us to fight for consumers who purchased defective products, including automobiles, appliances, electronic goods, and home products, as well as consumers who were deceived by consumer service providers such as banks and insurance, credit card, or phone companies.

In *NV Security, Inc. v. Fluke Networks*, Case No. CV05-4217 GW (SSx) (C.D. Cal. 2005), we negotiated a settlement on behalf of purchasers of Test Set telephones in an action alleging that the Test Sets contained a defective 3-volt battery. We benefited the consumer class by obtaining the following relief: free repair of

the 3-volt battery, reimbursement for certain prior repair, an advisory concerning the 3-volt battery on the outside of packages of new Test Sets, an agreement that defendants would cease to market and/or sell certain Test Sets, and a 42-month warranty on the 3-volt battery contained in certain devices sold in the future.

In *Bustos v. Vonage America, Inc.*, Case No. 06 Civ. 2308 (HAA) (D.N.J. 2006), our firm achieved a common fund settlement of \$1.75 million on behalf of class members who purchased Vonage Fax Service in an action alleging that Vonage made false and misleading statements in the marketing, advertising, and sale of Vonage Fax Service by failing to inform consumers that the protocol Defendant used for the Vonage Fax Service was unreliable and unsuitable for facsimile communications.

In *Masterson v. Canon U.S.A.*, Case No. BC340740 (Cal. Super. Ct. L.A. Cty. 2006), we represented purchasers of Cannon SD Cameras in an action alleging that liquid crystal display ("LCD") screens on Cannon SD Cameras cracked, broke, or otherwise malfunctioned, and obtained refunds for certain broken LCD repair charges and important changes to the product warranty.

## OUR ATTORNEYS

### Joseph E. Levi, *Managing Partner*

Joseph E. Levi is a central figure in shaping and managing the Firm's securities litigation practice. Mr. Levi has been lead or co-lead in dozens of cases involving the enforcement of shareholder rights in the context of mergers & acquisitions and securities fraud. In addition to his involvement in class action litigation, he has represented numerous patent holders in enforcing their patent rights in areas including computer hardware, software, communications, and information processing, and has been instrumental in obtaining substantial awards and settlements.

Mr. Levi and the attorneys achieved success on behalf of the former shareholders of Occam Networks, Inc. in litigation challenging the Company's merger with Calix, Inc., obtaining a preliminary injunction against the merger due to material representations and omissions in the proxy statement by which the shareholders were solicited to vote. See *Chen v. Howard-Anderson*, No. 5878-VCL (Del. Ch. Jan. 24, 2011). Vigorous litigation efforts continued to trial, recovering \$35 million for the shareholders.

Another victory for Mr. Levi and the attorneys was in litigation challenging the acquisition of Health Grades, Inc. by affiliates of Vestar Capital Partners, L.P., where it was successfully demonstrated to the Delaware Court of Chancery that the defendants had likely breached their fiduciary duties to Health Grades' shareholders by failing to maximize value as required by *Revlon, Inc. v. MacAndrews & Forbes Holdings, Inc.*, 506 A.2d 173 (Del. 1986). See *Weigard v. Hicks*, No. 5732-VCS (Del. Ch. Sept. 3, 2010). This ruling was used to reach a favorable settlement in which defendants agreed to a host of measures designed to increase the likelihood of superior bid. Vice Chancellor Strine "applaud[ed]" the litigation team for their preparation and the extraordinary high-quality of the briefing. He and the attorneys also played a prominent role in the matter of *In re CNX Gas Corp. Shareholders Litigation*, C.A. No. 5377-VCL (Del. Ch. 2010), in which plaintiffs recovered a common fund of over \$42.7 million for stockholders.

Ch. 2010), in which Levi & Korsinsky served upon plaintiffs' Executive Committee, Mr. Enright helped obtain the recovery of a common fund of over \$42.7 million for stockholders.

Shareholder Litigation*, C.A. No. 7328-VCN (Del. Ch. 2012), Mr. Enright was partially responsible for a \$93 million (57%) increase in merger consideration and waiver of several "don't-ask-don't-waive" standstill agreements that were precluding certain potential bidders from making a topping bid for the company.

Similarly, Mr. Enright served as Co-Lead Counsel in the case of *Berger v. Life Sciences Research, Inc.*, No. SOM-C-12006-09 (NJ Sup. **Shane T. Rowley**, *Partner*

Shane T. Rowley has represented clients in class actions since 1991. Mr. Rowley has amassed extensive experience in complex litigation. In ***Brickell Partners v. Emerging Communications, Inc.***, C.A. No. 16415 (Del. Ch. 1998), Mr. Rowley, as sole class counsel in conjunction with counsel for a co-litigant hedge fund, was instrumental in establishing new law and new standards for determining the fiduciary duties of corporate directors, especially directors that have specialized backgrounds (such as accountants, lawyers, financial experts, etc.). He was named as 2014 NY Metro Super Lawyer by Super Lawyers.

The Brickell Partners action was litigated vigorously by Mr. Rowley for over four years, including a six week trial, after which the Court returned a verdict in favor of plaintiff. The landmark decision is now reported as ***In re Emerging Communications, Inc. Shareholders Litigation***, C.A. No. 16415, 2004 Del. Ch. LEXIS 70 (Del. Ch., May 3, 2004).

Mr. Rowley has recovered hundreds of millions of dollars for shareholders of publicly traded companies. In ***Rice v. Lafarge North America, Inc.***, No. 268974-V (Md. Cir. Ct. Montgomery Cty. 2007), as Co-Lead Counsel, he represented the public shareholders of Lafarge North America ("LNA") in challenging the buyout of LNA by its French parent, Lafarge S.A., at the original offer price of \$75 per share. Following discovery and extensive injunction motion practice by Mr. Rowley and his co-counsel, the price per share was increased from \$75 to \$85.50 per share, representing a total benefit to the public shareholders of \$388 million.

**Michael H. Rosner**, *Partner*

Michael H. Rosner focuses his practice on representing shareholders of public companies in class action and derivative litigation seeking recovery for corporate wrongdoing, particularly with respect to mergers and acquisitions and executive compensation. He also prosecutes class actions on behalf of consumers damaged by harmful products, and was selected as a "Rising Star" by Super Lawyers in 2014.

Recent successes on behalf of shareholders include the obtaining of a preliminary injunction against the merger of Occam Networks, Inc. and Calix, Inc., due to material misrepresentations and omissions in the proxy statement by which the shareholders were solicited to vote for the merger. See *Chen v. Howard-Anderson*, No. 5878-VCL (Del. Ch. Jan. 24, 2011). Mr. Rosner continued to lead the litigation effort on behalf of former Occam shareholders, taking the case to trial and recovering \$35 million for the shareholders.

Another of Mr. Rosner's victories for shareholders was in litigation challenging the acquisition of Health Grades, Inc. by affiliates of Vestar Capital Partners, L.P. In that case, Mr. Rosner and his co-counsel successfully demonstrated to the Delaware Court of Chancery that the defendants had likely breached their fiduciary duties to Health Grades' shareholders by failing to maximize value as required by *Revlon, Inc. v. MacAndrews & Forbes Holdings, Inc.*, 506 A.2d 173 (Del. 1986). See *Weigard v. Hicks*, No. 5732-VCS (Del. Ch. Sept. 3, 2010) ("Health Grades").

Using the Court's favorable ruling, Mr. Rosner and co-counsel in Health Grades were successful in reaching a settlement in which defendants agreed to, among other things, modify the merger agreement (including by reducing the termination fee, imposing a "majority of the minority" requirement, and reducing the period of notice to the buyer before Health Grades could enter into a superior proposal), as well as to create and empower an independent committee, extend the tender offer so as to allow other potential bidders an opportunity to make a competing bid, and issue a "Fort Howard" press release affirmatively stating that the company "will provide information to, and engage and participate in good faith discussions and negotiations with, any third party" making a bona fide written acquisition proposal. Vice Chancellor Strine "applaud[ed]" Mr. Rosner and co-counsel for their preparation and the extraordinarily high quality of the briefing.

Mr. Rosner has also had success at the appellate level, persuading the Second Circuit Court of Appeals to reverse a district court's dismissal of derivative claims seeking to recover excessive compensation granted

## Carella, Byrne

### **AN INTRODUCTION TO CARELLA, BYRNE**

Carella, Byrne, Cecchi, Olstein, Brody & Agnello, with offices in Roseland, New Jersey, had its origins in a partnership created in 1976 by Charles C. Carella and others. Since then, the firm has grown from four attorneys to over 35 attorneys. In 1990, the firm merged with two others: Bozonelis and Woodward of Chatham, New Jersey, and Cecchi, Brody & Agnello, of Lyndhurst, New Jersey.

Throughout our history, our goal has not been growth for growth's sake, but to be a diversified full-service firm that offers our clients a depth of experience that is virtually unmatched. Most importantly, our growth has been a studied one: an approach which has enabled us to maintain the energy and cooperative spirit of a small practice, allowing us to respond quickly and creatively to our clients' problems.

We have significant strength in complex litigation, federal class action litigation, intellectual property, corporate, health care, public financing, environmental, labor, tax and administrative law. This level of experience offers our corporate clients very broad-based legal representation.

We have long been recognized as one of the leading New Jersey law firms, a reputation that has helped us attract a wide spectrum of clients -- from individuals to multinational corporations; from small businesses to non-profit organizations; from zoning boards to state governments.

Today, Carella, Byrne, Cecchi, Olstein, Brody & Agnello is an established and successful law firm that is ready to serve you or your organization with a breadth and depth of experience rare in a firm our size.

To help us serve our clients' promptly and in a cost effective manner, we have a full complement of law clerks, paralegals, word processors and support staff, and state-of-the-art computer and word processing systems, including optical scanners, laser printers, and Westlaw.

We are committed to quality and diversity in our practice areas. Diversity allows our firm to remain a competitive force in the legal marketplace. The firm's commitment to the highest quality of legal work walks hand-in-hand with its commitment to employ the highest quality of diverse people so that we can best serve all of the needs of our clients.

## **Carella, Byrne**

### **GENERAL LITIGATION**

The Carella, Byrne, Cecchi, Olstein, Brody & Agnello litigation department participates in a broad range of contested matters. We represent corporations in derivative suits and with respect to allegations of breach of federal and state securities regulations. Additionally, we represent institutions and national companies in warranty, franchise and dealer termination actions; medical malpractice defense claims; and real estate matters, including planning board, board of adjustment proceedings and fair-share housing cases.

### **Technical Litigation**

We are uniquely staffed to handle complex technical litigation. In addition to legal training, a number of attorneys have degrees and experience in chemical, electrical, mechanical and biomedical engineering. Litigation cases involve patents, trademarks, trade secrets, copyrights, unfair competition and construction, as well as architectural and engineering malpractice.

### **Environmental Litigation**

We handle environmental cases involving current owner liability and third-party common law claims, plus cases under federal and state statutes such as the Federal Water Pollution Control Act, ECRA, the Spill Act, the Resource Conservation Recovery Act (as amended by the Hazardous and Solid Waste Amendments of 1984), the Clean Water Act, the Toxic Substances Control Act, the Comprehensive Environmental Response Compensation Liability Act of 1980 (as amended by the Superfund Amendment and Reauthorization Act of 1986), and many others. We have attorneys expertly trained in environmental matters with a background uniquely suitable to rendering appropriate advice to our corporate and individual clients.

### **Medical Malpractice Defense**

Medical malpractice defense work is one of the busiest areas of our litigation practice. We represent a number of major health care institutions, and serve as primary defense counsel for insureds of major insurance companies. During our history, we have represented physicians, dentists, podiatrists, chiropractors, nurses, nurse midwives, and hospitals in a variety of complex litigated matters throughout the state courts.

### **Intellectual Property Expertise**

Carella, Byrne, Cecchi, Olstein, Brody & Agnello is nationally recognized in the fields of patent, trademark, copyright, unfair competition, trade secret law and antitrust law as applied domestically and internationally. We have broad technical expertise in chemical, mechanical and electrical engineering; physics; organic chemistry; biochemistry; commercial and industrial building construction, and road and bridge construction; sewage and waste management, including toxic and hazardous waste, radwaste and environmental control. A number of our partners and associates are registered to practice before the U.S. Patent and Trademark Office.

## **Carella, Byrne**

Our particular litigation expertise is in U.S. District Courts and Circuit Courts of Appeal in California, Illinois, Texas, New York, Pennsylvania, Florida and New Jersey, as well as the Court of Appeals for the Federal Circuit.

We also maintain close ties with associate counsel in the United Kingdom, Japan, West Germany, Canada, Italy, France, Austria, Taiwan, Korea, Australia and the Peoples Republic of China. We have controlled and/or participated in patent and other intellectual property litigation in Japan, West Germany, the United Kingdom, Canada, Australia, New Zealand and Austria.

What's more, we offer many other intellectual property services, including licensing and preparation and prosecution of patent applications around the world.

### **Corporate and Financial**

Carella, Byrne, Cecchi, Olstein, Brody & Agnello provides all legal services involving the sale, purchase and reorganization of a business, including creation of corporations, partnerships and limited partnerships, mergers and acquisitions, public and private corporate financing, and representation in regulatory compliance cases.

### **Banking**

We have broad experience in commercial lending matters (secured and unsecured), representing both lenders and borrowers; and have counseled banks in all aspects of operations. We have represented institutions in both state and federal regulatory compliance, and in all phases of loan work-outs and financial restructurings. Our experience also extends to commercial litigation and foreclosures.

All too often, financial institutions face breach of both secured and unsecured loan agreements. So to help our clients preserve their banking relationships with their customers, we regularly handle work-outs, no matter how simple or complex. We've handled multiparty and multistate transactions involving construction, apartment complexes, warehouse lines of credit and inventory financing.

### **Savings and Loan Conversions**

We have helped savings and loan associations convert from mutual ownership to stock ownership. These include standard conversions, modified conversions, supervisory conversions and holding company formations. Services range from contract negotiation and completion, to regulatory authority application preparation and follow-up. And after conversion, we provide general counsel.

### **Mergers and Acquisitions**

Our firm has counseled corporate clients on mergers and acquisitions, with a special emphasis on the acquisition or divestiture of stand-alone businesses. Clients have included large corporations filling in product lines; small, privately held corporations which are

## **Carella, Byrne**

liquidating; and large corporate division managers involved in a management buy-out. We counsel clients on employee issues, environmental concerns, liability and contractual issues, regulatory matters and tax issues.

### **Creditors' Rights and Bankruptcy**

Our firm provides comprehensive legal expertise for clients involved in both corporate and individual insolvencies. We have represented corporate debtors-in-possession, corporate trustees, creditors committees and secured and priority parties in reorganizations and liquidations.

We have expertise in those areas impacting on current bankruptcies including tax (including ERISA), environmental (including state and federal regulations), labor, admiralty, intellectual property, general corporate transactions and commercial and corporate litigation.

### **Public Finance**

We are a nationally recognized Bond Counsel firm. This means that the investment community looks to us as an expert in public finance law, and that our approving legal opinions are relied on by investors as to the legality and enforceability of tax-exempt obligations.

We have served as Bond Counsel for the issuance of hundreds of millions of dollars of tax-exempt financings for municipalities and local, county and state authorities. And in this capacity, we have assisted in financing everything from the purchase of a town's computer system to the building of a resource recovery facility, to the repair of the Garden State Parkway.

In addition, we have served as underwriters' counsel and counsel to national investment banking firms, and as general counsel to companies obtaining tax-exempt loans for industrial development.

### **Class Action Litigation**

Carella Byrne is also actively involved in the prosecution of sophisticated plaintiffs' cases involving securities fraud, consumer fraud and antitrust.

#### **Takata Airbag Litigation**

Carella Byrne was appointed as one of three firms on Plaintiffs' Steering Committee in *In re Takata Airbag Product Liability Litigation*, MDL 2599, currently pending in the U.S. District Court for the Southern District of Florida. This litigation involves claims against Takata Corporation and related companies, and several automobile manufacturers, arising from exploding airbags installed in the vehicles.

#### **Orange Juice Litigation**

Carella Byrne is Co-Lead Counsel in two similar cases, *In re Tropicana Orange Juice Marketing and Sales Practices Litigation*, MDL 2415, pending in the U.S. District Court for the

## **Carella, Byrne**

District of New Jersey and *In Re Simply Orange Orange Juice Marketing And Sales Practices Litigation*, MDL No. 2361, pending in the U.S. District Court for the Western District of Missouri. In these cases, Plaintiffs allege that the respective manufacturers of orange juice labeled their juice as being all natural when, in fact, they added flavorings and other ingredients which were prohibited by applicable FDA regulations. These cases are ongoing.

### **L'Oreal Wrinkle Cream Litigation**

Carella Byrne was appointed as sole Lead Counsel in *In Re: L'Oreal Wrinkle Cream Marketing Practices Litigation*, MDL 2415, pending in the U.S. District Court for the District of New Jersey. Plaintiffs in this action allege that certain L'Oreal products advertised as eliminating wrinkles when, in fact, the ingredients in the products are scientifically incapable of doing so. This litigation is ongoing.

### **UCR Litigation**

Carella Byrne was appointed as a member of Plaintiffs' Executive Committee and Settlement Liaison Counsel in this litigation, which alleges that Aetna systematically underpaid out-of-network medical claims using the flawed Ingenix database. Generally, subscribers in health insurance plans receive reimbursement for out-of-network services based upon "usual and customary" rates for the applicable service. The Ingenix database was a database, allegedly of "usual and customary" rates for medical services which health insurers used for calculating out-of-network reimbursement. Plaintiffs allege that the health insurers which used the Ingenix database for calculating reimbursement knowingly submitted artificially low data to the database, which, they, in turn, used to pay artificially low reimbursement for out-of-network services. *In re Aetna UCR Litigation*, Master Docket No. 07-3541(SRC).

In a virtually identical case against CIGNA, Carella Byrne was appointed as Settlement Liaison Counsel. *Franco v. Connecticut General Life Insurance*, Master Docket No. 07-6039 (SRC).

### **Hertz Equipment Rental LDW Litigation**

Carella Byrne is Co-Lead Counsel in litigation challenging Hertz Equipment Rental's loss damage waiver and environmental recovery fee. In that litigation, the plaintiffs contend that those fees violate the New Jersey Consumer Fraud Act because the loss damage waiver provides no real benefit to customers and the environmental recovery fee has nothing to do with expenses related to environmental protection. Settlement in this matter received final approval on June 20, 2013. *Davis Landscape v. Hertz Equipment Rental Corporation*, Civil Action No. 06-3830(DMC).

### **In re Medco/Express Scripts Merger Litigation**

Carella Byrne was co-Interim Lead Counsel in this action, which challenged the \$30 billion proposed merger between Medco and Express Scripts, among the largest pharmacy benefit management companies in the country. The action challenged, among other things, the

## **Carella, Byrne**

\$945 million break-up fee payable to Express Scripts in the event of an offer from another bidder.

The settlement in this action, which was approved in April 2012, included a \$300 million reduction in the breakup fee and certain additional disclosures in the proxy statements soliciting shareholder approval of the merger. *In re Medco/Express Scripts Merger Litigation*, Civil Action No. 11-4211(DMC).

### **In re Effexor Antitrust Litigation**

Carella Byrne serves on the Indirect Purchaser Plaintiffs' Executive Committee, which alleges that Wyeth violated federal and state antitrust laws by fraudulently obtaining patents and filing sham patent infringement litigation to extend its monopoly on the brand-name drug Effexor XR, an anti-depressant drug which generates over \$1 billion per year in revenues. Certain claims in this action are presently on appeal. *In re Effexor XR Antitrust Litigation*, Civil Action No. 11-5661.

### **In Re: Schering-Plough/Enhance Securities Class Action Litigation**

Carella Byrne filed the first case against Schering Corporation and was appointed to the leadership team as liaison counsel on behalf of the class in this securities fraud litigation related to misleading statements contained in public securities filings made by Schering-Plough Corporation related to the continued commercial viability of Vytorin and Zetia, while it was aware of the results of the Enhance study which questioned the effectiveness of both drugs. Settlements in this matter received final approval on October 1, 2013. *In Re: Schering-Plough/Enhance Securities Litigation*, Lead Case No. 08-397(DMC).

### **In re: Merck & Co. Enhance Securities Class Action Litigation**

Carella Byrne has been appointed to the leadership team of the case as Liaison Counsel on behalf of the class in this securities fraud litigation related to misleading statements contained in public securities filings made by Merck & Co., Inc. related to the continued commercial viability of Vytorin and Zetia, while it was aware of the results of the Enhance study which questioned the effectiveness of both drugs. Settlements in this matter received final approval on October 1, 2013. *Genessee County Employees' Retirement System v. Litigation was pursued in various domestic and foreign jurisdictions for the recovery of assets. We were successful in identifying and piercing various off-shore trusts and recovering millions of dollars for the bankruptcy estate, which was used in part to satisfy the SEC's judgment against Brennan.

Carella Byrne has also appeared either as trustee, receiver or counsel in: *Federal Trade Commission v. Oak Tree Numismatics, et al.* (D.N.J.)
